

CAUTION:

Please be advised, a construction operation removing a shoal in Lake Cypress at the south end of SFWMD Canal C-35 is currently active and all boaters are advised to follow Florida Statutes and use extreme caution when operating their vessels in this area.

Florida Statute 327.463(2) states "A person may not operate a vessel faster than slow speed, minimum wake within 300 feet of any emergency vessel, including, but not limited to, a law enforcement vessel, United States Coast Guard vessel, or firefighting vessel, when such emergency vessel's emergency lights are activated and Florida Statute 327.463(3)(a) states "A person may not operate a vessel faster than slow speed, minimum wake within 300 feet of any construction vessel or barge when the vessel or barge is displaying an orange flag"

DISCLAIMER: The County expressly disclaims any warranty, either expressed or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular use. The entire risk as to quality and performance is with the requestor. In no event will the County or its staff be liable for any direct, indirect, incidental, consequential, or other damages, including loss of profit, arising out of the use of the data, even if the County has been advised of the possibility of such damages. The requestor acknowledges and accepts the limitations of the data, including the fact that this data is dynamic and is in a constant state of maintenance, correction and update.
